For Immediate Release:  
October 22, 2009

The Columbia County Department of Health is suspending seasonal flu vaccine immunization clinics until further notice due to a lack of vaccine availability. Shipments of seasonal flu vaccine are anticipated in 2-3 weeks.

Seasonal flu vaccine clinics started earlier in October this year. In previous years clinics started in early November. Seasonal influenza usually doesn't impact our area until December. There is still time to receive the seasonal flu vaccine. Please watch for announcements or check with your physician in a few weeks. Information can also be found on our web site at [www.columbiacountyny.com](http://www.columbiacountyny.com) or the NYSDOH web site at [www.health.state.ny.us](http://www.health.state.ny.us) .
