Robert Lopez - Dep. Director
LT. William Hilscher - Liaison to CCEMO

October 7, 2021

Greetings:

In accordance with various requests and the combined effort of Columbia County Fire Coordinator George Keeler and the county Emergency Management Office to provide information important to public officials in Columbia County, the following NYS training is provided;

Course:	ICS Overview for Senior Officials (I-402)
Date:	November 18, 2021
Time:	6:30 p.m. to 10:00 p.m.
Location:	Columbia County Fire Training Center; 50 Grandinetti Drive; Ghent, NY 12075

Further details on the course listed above as well as **registration** can be found on the [DHSES Learning Management System \(LMS\)](#).

Useful resources including the DHSES LMS Student Guide and FAQ can be found on the [DHSES Webpage](#).

This training is designed to provide an overview of the Incident Command System (ICS) used by emergency services and other local, state and federal agencies when operating at, planning for and management of emergency incidents involving both short and long term emergency operations, (such as during the COVID-19 Pandemic). I think we have all realized that it's important for "non-emergency" public officials instrumental in managing government, education and other public services in our county be familiar with the ICS process.

Note: Any official who would like to complete the full basic ICS training that emergency services are required to complete (I-100 & I-200) can obtain information for on line courses at:

<http://www.dhSES.ny.gov/oem/training/ics-courses.cfm> .

David Harrison, Jr
Director of Emergency Management
Columbia County, NY
