

## **CLAVERACK ROAD CLOSURE**

Contractors working for the Columbia County Department of Public Works will begin the construction work for the replacement of the Mellenville Paper Mill Bridge, carrying Roxbury Road over the Agawamuck Creek in the Town of Claverack on Monday March 23, 2020. Mellenville Paper Mill Bridge is located approximately 200 feet south of the intersection of Roxbury Road with NYS Route 217.

Roxbury Road will close at the bridge site just prior to the start of the bridge replacement work and Roxbury Road traffic will be directed to use a temporary, off-site detour that will be signed/posted by the County's project contractors. The bridge replacement work at Mellenville paper Mill Bridge is expected to take approximately 4 months to complete.

The project's off-site detour will traverse sections of Roxbury Road and NYS Route 217 in the Town of Claverack.
