

COVID-19 Vaccination Information Email

Columbia County has developed a NY ALERT public information category that people can use to receive general vaccine information by email about the COVID-19 Vaccine effort in Columbia County.

The COVID-19 Vaccine Information provided is non-emergency general information for Columbia County that will be sent out to all people who sign-up in NY ALERT - "COVID-19 Vaccine Information" to receive it.

Personal NY ALERT accounts are provided by NYS free of charge.

Anyone interested in receiving the informational email should do the following;

If you already have a NY ALERT account:

- ~ Sign In and go to "My Subscriptions"
- ~ Under "Columbia County" check off the box for "COVID-19 Vaccine Information"
- ~ Then click "SAVE"

You should begin to receive informational emails when they go out.

If you do not already have a NY ALERT account:

- ~ Go to: <https://alert.ny.gov/>
- ~ Click on "SIGN UP" and follow the instructions to make your own FREE NY ALERT account.
- ~ Follow the instructions above to get "COVID-19 Vaccine Information" emails.

Note: NY ALERT is also the mass emergency notification system that Columbia County uses to send out emergency notifications to county residents. There are many additional categories of information you can request to be notified about.

The NY ALERT website is operated and maintained by NYS.
