

County of Columbia

Proclamation

APRIL IS NATIONAL COUNTY GOVERNMENT MONTH

WHEREAS, counties are the backbone of the United States' local government, providing essential services to communities, including public safety, transportation, healthcare, infrastructure, environmental stewardship, and more; and

WHEREAS, National County Government Month, held each April, provides an opportunity to highlight the vital role counties play in the lives of residents and in building resilient, thriving communities; and

WHEREAS, counties are governed by elected officials and staffed by dedicated public servants who work tirelessly to respond to the needs of the public and improve quality of life; and

WHEREAS, this year's theme is focused on emphasizing collaboration, innovation, and leadership as key pillars for addressing the challenges of today and preparing for the future; and

WHEREAS, recognizing National County Government Month fosters greater public awareness and understanding of county government responsibilities and achievements;

NOW, THEREFORE BE IT

RESOLVED, I, Matt B. Murell do hereby proclaim the month of April 2025 as National County Government Month in Columbia County and encourage all citizens to learn more about the important work of our county government and to support its efforts to make our community stronger, healthier, and more vibrant.

*Given under my hand and the Privy Seal of the County of Columbia
at the Supervisors Chambers in Hudson, New York this 9th day of
April, 2025.*
